

New!

**Orthopaedic Knowledge Update:**

**Hip and Knee Reconstruction 4**

*Andrew H. Glassman, MD, MS, Paul F. Lachiewicz, MD, and Michael Tanzer, MD, FRCSC, Editors*

Research a condition, review best practices, and learn about current controversies with ease! Developed by The Hip Society and The Knee Society and published by AAOS, this completely new update presents a balanced and comprehensive overview of the most relevant contemporary literature in hip and knee reconstruction.

**OKU: Hip and Knee Reconstruction 4** provides a critical evaluation of new techniques, devices, and surgical approaches, as well as current research and reviews of contemporary literature. Orthopaedic surgical specializing in adult reconstruction and practicing physicians interested in staying abreast of current best practices will benefit from this concise and extensive reference. Residents in training can review key topics paired with helpful illustrations to prepare for the Board examination.
