

CONTEMPORARY APPROACHES to Adult Hip and Knee Reconstruction®

FOUR LOCATIONS:

Fishers, IN | Schaumburg, IL | Charlotte, NC | Philadelphia, PA

SAME DAY:

Friday, May 6, 2022

WHAT IS CONTEMPORARY APPROACHES®?

Contemporary Approaches to Adult Hip and Knee Reconstruction® is a dynamic, highly interactive round-table program designed to deliver relevant and timely updates to orthopaedic surgeons in an intimate format. Networking opportunities and ample discussion time make this annual program a not-to-be-missed event.

PROGRAM HIGHLIGHTS

- Small group case-based format of content delivery
- Close interaction with world-renowned faculty
- Key primary hip and knee arthroplasty concepts
- How to avoid and manage complications
- Unicompartmental knee arthroplasty, outpatient arthroplasty, bundled payment models
- Expert panel on modern perioperative management
- Video vignettes of select surgical techniques and tips

WHO SHOULD ATTEND?

General or fellowship-trained orthopaedic surgeons whose scope of practice includes adult joint reconstruction.

WHAT OUR PAST PARTICIPANTS VALUE THE MOST

- Excellent course, location, and faculty
- Large number of relevant topics covered
- Ability to interact in small groups
- Valuable CME close to home

CME ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons (AAOS) and The Hip Society | The Knee Society. AAOS is accredited by the ACCME to provide continuing medical education for physicians and designates this live activity for an estimated 5.5 *AMA PRA Category 1 Credits™*.

Contemporary Approaches to Adult Hip and Knee Reconstruction® is presented in partnership by The Hip Society and The Knee Society. Visit our websites www.hipsoc.org and www.kneesociety.org to review our distinct annual portfolio of world-class educational events for members and non-members.
