

JAMM2018 PRELIMINARY AGENDA

updated 11.05.2017

| SUNDAY 01/21/18 | | |
|--------------------|--|---|
| Time | Event Description | Presenters |
| 5:00pm-5:45pm | Industry-sponsored ice breaker Session A -- SPONSORED BY TJO | |
| | Don't get stuck in the cement! Break free from the constraints of cementing and learn how to be more efficient in your OR. Join JAMM faculty as they present a mini-symposium featuring our optimal 3D™ Porous Coatings, Klassic® Porous Knee design, and surgical technique for cementless knees at the 2018 JAMM Ice Breaker Sessions. | TBD |
| 6:00pm-6:45pm | Industry-sponsored ice breaker Session B -- SPONSORED BY CERAMTEC | |
| | Ceramics in THA : where are we today? BioloX Heads are the Golden Standard in THA in the US, is the increasing use of ceramics justified? | Moderator: Adolph V. Lombardi, Jr., MD (New Albany, OH), Rafael J. Sierra, MD (Rochester, MN), Daniel J. Berry, MD (Rochester, MN), Douglas E. Padgett, MD (New York, NY), Wayne G. Paprosky, MD (Winfield, IL) |
| 7:00pm-9:00pm | Red Carpet "Movie Premier" Event -- SPONSORED BY TJO | |
| MONDAY 01/22/18 | | |
| KNEE | | |
| Time | Event Description | Presenters |
| 6:55am-7:00am | Welcome And Opening Remarks | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| 7:00am-7:30am | Session I: Management Of The Arthritic Knee Before Arthroplasty | Moderator: Rafael J. Sierra, MD (Rochester, MN) |
| 7:00am-7:10am | Key Note Address: Defining The Role Of Arthroscopic Intervention For The Arthritic Knee | Fred D. Cushner, MD (New York, NY) |
| 7:10am-7:30am | Case-Based Discussion: Pre-Operative Physical Therapy Corticosteroid Injections: Vast Timing Prior to TJA Potential New Treatments: PRP, Stem Cell, Amniotic Fluid Viscosupplementation AAOS DJD Guidelines Red Flags: When Not To Operate | All faculty participate in a round-table format at their assigned tables. |
| 7:30am-8:15am | Session II: Compartmental Approach To Knee Arthritis | Moderator: Craig J. DellaValle, MD (Chicago, IL) |
| 7:30am-7:35am | Distal Femoral and Proximal Tibial Osteotomy | Mark W. Pagnano, MD (Rochester, MN) |
| 7:35am-7:40am | Medial Unicompartmental Knee Arthroplasty | Michael E. Berend, MD (Indianapolis, IN) |

| Time | Event Description | Presenters |
|-----------------|---|---|
| 7:40am-7:45am | Lateral Unicompartmental Knee Arthroplasty | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| 7:45am-7:50am | Patellofemoral Joint Arthroplasty | Jess H. Lonner, MD (Bryn Mawr, PA) |
| 7:50am-8:15am | Case-Based Discussion | All faculty participate in a round-table format at their assigned tables. |
| 8:15am-8:45am | Session III: Approach/Exposure In Knee Arthroplasty (Video-Based) | Moderator: Robert L. Barrack, MD (St. Louis, MO) |
| 8:15am-8:20am | Mini-Midvastus | Alfred J. Tria, Jr., MD (Princeton, NJ) |
| 8:20am-8:25am | Subvastus | Mark W. Pagnano, MD (Rochester, MN) |
| 8:25am-8:30am | Quadri-cep Snip | Fred D. Cushner, MD (New York, NY) |
| 8:30am-8:35am | Tibial Tubercle Osteotomy | David J. Mayman, MD (New York, NY) |
| 8:35am-8:45am | Discussion | All faculty participate in a round-table format at their assigned tables. |
| 8:45am-9:30am | Session IV: Technology In Knee Arthroplasty | Moderator: Alfred J. Tria, Jr., MD (Princeton, NJ) |
| 8:45am-8:55am | Key Note Address: Smart Tools in TKA: Where We Are Today With Respect To Navigation, PSI, Robotics, Sensors, Etc. | Daniel J. Berry, MD (Rochester, MN) |
| 8:55am-9:00am | Robotic PKA | Jess H. Lonner, MD (Bryn Mawr, PA) |
| 9:00am-9:05am | Smart Tools | Giles R. Scuderi, MD (New York, NY) |
| 9:05am-9:10am | Using Digital Sensors | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| 9:10am-9:15am | Computer Navigation | David J. Mayman, MD (New York, NY) |
| 9:15am-9:20am | Handheld Navigation | Michael E. Berend, MD (Indianapolis, IN) |
| 9:20am-9:25am | Custom TKA | Christopher L. Peters, MD (Salt Lake City, UT) |
| 9:25am-9:30am | PSI | Mark W. Pagnano, MD (Rochester, MN) |
| 9:30am-9:40am | Discussion | All faculty participate in a round-table format at their assigned tables. |
| 9:40am-10:10am | COFFEE / REFRESHMENT BREAK AND VISIT EXHIBITORS | |
| 10:10am-11:00am | Session V: Point-Counterpoint | |
| | Round I | Moderator: David G. Lewallen, MD (Rochester, MN) |
| 10:10am-10:15am | Fixation: Cement Is The Gold Standard | John J. Callaghan, MD (Iowa City, IA) |
| 10:15am-10:20am | Cementless Has Always Been The Gold Standard | Aaron A. Hofmann, MD (Salt Lake City, UT) |
| 10:20am-10:25am | Discussion | |
| | Round II | Moderator: Jess H. Lonner, MD (Bryn Mawr, PA) |
| 10:25am-10:30am | Alignment: Follow A Straight Path: Mechanical Alignment Is Still The Gold Standard | Giles R. Scuderi, MD (New York, NY) |
| 10:30am-10:35am | Why Release Ligaments, Kinematic Alignment Is Better | Robert L. Barrack, MD (St. Louis, MO) |

| Time | Event Description | Presenters |
|------------------------|---|--|
| 10:35am-10:40am | Discussion | |
| | Round III | Moderator: Douglas E. Padgett, MD (New York, NY) |
| 10:40am-10:45am | Modularity In Primary Knee: The All Poly Tibia Is The New Old Gold Standard | Michael E. Berend, MD (Indianapolis, IN) |
| 10:45am-10:50am | I Prefer Modularity | Christopher L. Peters, MD (Salt Lake City, UT) |
| 10:50am-10:55am | Discussion | |
| | Round IV | Moderator: Mark W. Pagnano, MD (Rochester, MN) |
| 10:55am-11:00am | The Fate Of The ACL In Total Knee Arthroplasty: Watch Out, Bicurciate Retaining Total Knee Arthroplasty Has A New Beginning | Alfred J. Tria, Jr., MD (Princeton, NJ) |
| 11:00am-11:05am | Forget About Bicurciate Retaining Total Knee Arthroplasty, It Will Never Happen | Steven J. MacDonald, MD (London, ON, Canada) |
| 11:05am-11:10am | Discussion | |
| | | |
| 11:10am-12:00pm | Session VI: The Continuum Constraint In Total Knee Arthroplasty | Moderator: Wayne G. Paprosky, MD (Winfield, IL) |
| | | |
| 11:10am-11:15am | Pearls Of CR TKA | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| 11:15am-11:20am | Pearls Of PS TKA | Giles R. Scuderi, MD (New York, NY) |
| 11:20am-11:25am | Pearls Of Ultracongruent TKA | Aaron A. Hofmann, MD (Salt Lake City, UT) |
| 11:25am-11:30am | Pearls Of Medial Pivot TKA | Rafael J. Sierra, MD (Rochester, MN) |
| 11:30am-11:35am | Pearls of Bicurciate Substituting Design | Fred D. Cushner, MD (New York, NY) |
| 11:35am-11:40am | Pearls Of Constrained Primary TKA | Kevin L. Garvin, MD (Omaha, NE) |
| | | |
| 11:40am-12:00pm | Case-Based Discussion | |
| | | |
| 1:00pm-4:00pm | AFTERNOON AT LEISURE | |
| | | |
| 4:00pm-5:00pm | Session VII: Case-Based Presentation On Post Operative Dilemmas | Moderator: Kevin L. Garvin, MD (Omaha, NE) |
| | | |
| 4:00pm-4:08pm | Keynote Address: Diagnosis of Infection in Early Post-op setting | Craig J. Della Valle, MD (Chicago, IL) |
| | | |
| | Case-Based Discussion Covering The Following Topics On Post Operative Dilemmas: | All faculty participate in a round-table format at their assigned tables. |
| | Red Wound | |
| | Post-Operative Stiffness | |
| | Draining Wound | |
| | Pain Control | |
| | Swollen Leg | |
| | | |
| 5:00pm-6:00pm | Session VIII: Ask The Experts | Moderator: Christopher L. Peters, MD (Salt Lake City, UT) |
| | | |
| 5:00pm-5:10pm | Case I | Robert L. Barrack (St. Louis, MO) |
| 5:10pm-5:20pm | Case II | William G. Hamilton, MD (Alexandria, VA) |
| 5:20pm-5:30pm | Case III | Daniel J. Berry, MD (Rochester, MN) |

| Time | Event Description | Presenters |
|-----------------------------|--|---|
| 5:30pm-5:40pm | Case IV | John J. Callaghan, MD (Iowa City, IA) |
| 5:40pm-5:50pm | Case V | Craig J. DellaValle, MD (Chicago, IL) |
| 5:50pm-6:00pm | Case VI | Kevin L. Garvin, MD (Omaha, NE) |
| 6:00pm-6:30pm | Session IX: Meet The Faculty | |
| | Faculty will meet with participants in a round-table format to discuss any topics of interest to the participant. Participants will be preassigned to a faculty member. | All faculty participate in a round-table format at their assigned tables. |
| 7:00pm | Board the gondolas to Red Pine Lodge | |
| 7:30pm-9:00pm | Session X: "Golden Hip" And "Golden Knee" Surgical Video Competitions Awards And Reception | |
| | 3 Hip and 3 Knee stations will be available for participants to evaluate and vote videos. Videos will be requested from faculty on primary and revision hip and knee arthroplasty. | |
| TUESDAY 01/23/18 | HIP | |
| Time | Event Description | Presenters |
| 7:00am-7:05am | Welcome | Aaron A. Hofmann, MD (Salt Lake City, UT) |
| 7:05am-9:00am | Session XI: Performing A Primary Total Hip Arthroplasty | Moderator: William G. Hamilton, MD (Alexandria, VA) |
| | Surgical Approach - Video-based | |
| 7:05am-7:10am | Anterior Approach | Mark W. Pagnano, MD (Rochester, MN) |
| 7:10am-7:15am | Posterior Approach | Douglas E. Padgett, MD (New York, NY) |
| 7:15am-7:20am | Direct Lateral Approach | Steven J. MacDonald, MD (London, ON, Canada) |
| 7:20am-7:25am | Watson Jones/ABMS Approach | Christopher L. Peters, MD (Salt Lake City, UT) |
| | Technique Of Acetabular Reconstrcution - Case-Based | |
| 7:25am-7:30am | Porous Cups Vs Ultra Porous Cups | David G. Lewallen, MD (Rochester, MN) |
| 7:30am-7:35am | Screws Vs No Screws | John J. Callaghan, MD (Iowa City, IA) |
| | Femoral Reconstruction - Case-Based | |
| 7:35am-7:40am | Metaphyseal Filling | Michael E. Berend, MD (Indianapolis, IN) |
| 7:40am-7:45am | Tapered Wedge | Wayne G. Paprosky, MD (Winfield, IL) |
| 7:45am-7:50am | Short Stem | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| | Bearing - Case-Based | |
| 7:50am-7:55am | Ceramic On Ceramic | Rafael J. Sierra, MD (Rochester, MN) |
| 7:55am-8:00am | Ceramic On HLXPE | David J. Mayman, MD (New York, NY) |

| Time | Event Description | Presenters |
|-----------------|--|---|
| 8:00am-8:05am | Chrome Cobalt On HLXPE | Douglas D.R. Naudie, MD (London, ON, Canada) |
| | Femoral Head Size - Case-Based | |
| 8:05am-8:10am | 32mm | Daniel J. Berry, MD (Rochester, MN) |
| 8:10am-8:15am | 36mm | Geoffrey H. Westrich, MD (New York, NY) |
| 8:15am-8:20am | Dual Mobility | Douglas E. Padgett, MD (New York, NY) |
| 8:20am-9:00am | Discussion | All faculty participate in a round-table format at their assigned tables. |
| 9:00am-9:30am | COFFEE / REFRESHMENT BREAK AND VISIT EXHIBITORS | |
| 9:30am-10:30am | Session XII: Tips And Pearls In Hip Arthroplasty | Moderator: John J. Callaghan, MD (Iowa City, IA) |
| 9:30am-9:35am | Crowe I/II Dysplastic Hip | Wayne G. Paprosky, MD (Winfield, IL) |
| 9:35am-9:40am | Crowe III/IV Dysplastic Hip | Craig J. Della Valle, MD (Chicago, IL) |
| 9:40am-9:45am | THA Post Acetabular Trauma | William G. Hamilton, MD (Alexandria, VA) |
| 9:45am-9:50am | THA Post Femoral Trauma | Kevin L. Garvin, MD (Omaha, NE) |
| 9:50am-9:55am | The Influence Of The Spine On Acetabular Component Position | Robert L. Barrack, MD (St. Louis, MO) |
| 9:55am-10:00am | Is Robotic Hip Arthroplasty Of Age? | Douglas E. Padgett, MD (New York, NY) |
| 10:00am-10:05am | Assuring Equality Of Leg Length | Rafael J. Sierra, MD (Rochester, MN) |
| 10:05am-10:10am | Is There A Need For Post Operative Precautions In 2017? | Geoffrey H. Westrich, MD (New York, NY) |
| 10:10am-10:30am | Case-Based Discussion | All faculty participate in a round-table format at their assigned tables. |
| 10:30am-12:00pm | Session XIII: Revision Total Knee Arthroplasty: Video and Didactic Presentations | Moderator: Giles R. Scuderi, MD (New York, NY) |
| 10:30am-10:35am | Extensile Exposure | Fred D. Cushner, MD (New York, NY) |
| 10:35am-10:40am | Femoral Component Removal Tips | John J. Callaghan, MD (Iowa City, IA) |
| 10:40am-10:45am | Tibial Component Removal Tips | William G. Hamilton, MD (Alexandria, VA) |
| 10:45am-10:50am | Management Of Femoral Bone Deficits With Cones | David G. Lewallen, MD (Rochester, MN) |
| 10:50am-10:55am | Management Of Tibial Bone Deficits With Cones | Douglas D.R. Naudie, MD (London, ON, Canada) |
| 10:55am-11:00am | Technique Of Cement Fixation For Stems | Robert L. Barrack, MD (St. Louis, MO) |
| 11:00am-11:05am | Technique Of Hybrid Fixation For Stems | Christopher L. Peters, MD (Salt Lake City, UT) |
| 11:05am-11:10am | Diagnosis of Infected TKA | Craig J. Della Valle, MD (Chicago, IL) |
| 11:10am-11:15am | Choosing The Level Of Constraint PS vs VVC vs Rotating Hinge | Daniel J. Berry, MD (Rochester, MN) |
| 11:15am-11:20am | Technique Of Single Stage Revision | Rafael J. Sierra, MD (Rochester, MN) |
| 11:20am-11:25am | Technique Of Two-Stage Revision | Alfred J. Tria, MD (Princeton, NJ) |
| 11:25am-11:30am | Static vs Articulating Spacers | Jess H. Lonner, MD (Bryn Mawr, PA) |

| Time | Event Description | Presenters |
|-----------------|---|---|
| 11:30am-12:00pm | Case-Based Discussion | All faculty participate in a round-table format at their assigned tables. |
| 12:00pm-1:00pm | LUNCH: sponsored by MUVE Health | |
| 1:00pm-4:00pm | Afternoon at leisure | |
| 4:00pm-5:30pm | Session XIV: Revision THA: Video and Didactic Presentations | Moderator: Steven J. MacDonald, MD (London, ON, Canada) |
| | Techniques | |
| 4:00pm-4:05pm | Socket Removal | John J. Callaghan, MD (Iowa City, IA) |
| 4:05pm-4:10pm | Stem Removal/ETO | Wayne G. Paprosky, MD (Winfield, IL) |
| | Acetabular Reconstruction | |
| 4:10pm-4:15pm | Jumbo Cups | Steven J. MacDonald, MD (London, ON, Canada) |
| 4:15pm-4:20pm | Augments/Cup Cage | David G. Lewallen, MD (Rochester, MN) |
| 4:20pm-4:25pm | Triflange | Michael E. Berend, MD (Indianapolis, IN) |
| | Femoral Reconstruction | |
| 4:25pm-4:30pm | Modular Stems | Daniel J. Berry, MD (Rochester, MN) |
| 4:30pm-4:35pm | Monoblock Stems | Christopher L. Peters, MD (Salt Lake City, UT) |
| | Preventing Instability | |
| 4:35pm-4:40pm | Large Heads | Kevin L. Garvin, MD (Omaha, NE) |
| 4:40pm-4:45pm | Dual Mobility | Douglas E. Padgett, MD (New York, NY) |
| 4:45pm-4:50pm | Tri Polar | Rafael J. Sierra, MD (Rochester, MN) |
| 4:50pm-4:55pm | Constrained | Steven J. MacDonald, MD (London, ON, Canada) |
| | Infected THA | |
| 4:55pm-5:00pm | Diagnosis | Craig J. Della Valle, MD (Chicago, IL) |
| 5:00pm-5:05pm | Single Vs Two Stage Technique | Geoffrey H. Westrich, MD (New York, NY) |
| 5:05pm-5:30pm | Case-Based Discussion | All faculty participate in a round-table format at their assigned tables. |
| 5:30pm-6:00pm | Session XV: Ask The Experts | Moderator: Douglas D.R. Naudie, MD (London, ON, Canada) |
| 5:30pm-5:40pm | Case Group I: 3 cases | David G. Lewallen, MD (Rochester, MN) |
| 5:40pm-5:50pm | Case Group II: 3 cases | Jess H. Lonner, MD (Bryn Mawr, PA) |
| 5:50pm-6:00pm | Case Group III: 3 cases | Steven J. MacDonald, MD (London, ON, Canada) |

| Time | Event Description | Presenters |
|-------------------------------|---|---|
| WEDNESDAY 01/24/18 | COMBINED DAY | |
| Time | Event Description | Presenters |
| 6:55am-7:00am | Welcome | Fred D. Cushner, MD (New York, NY) |
| 7:00am-8:15am | Session XVI: Perioperative TKA/THA | Moderator: Daniel J. Berry, MD (Rochester, MN) |
| 7:00am-7:05am | Pre-Operative Medical Optimization | Robert L. Barrack, MD (St. Louis, MO) |
| 7:05am-7:10am | The Role Of Staph Screening Pre-Operatively | Craig J. Della Valle, MD (Chicago, IL) |
| 7:10am-7:15am | Benefits Of Smoking Cessation | Douglas D.R. Naudie, MD (London, ON, Canada) |
| 7:15am-7:20am | Perioperative Education Strategies | David J. Mayman, MD (New York, NY) |
| 7:20am-7:25am | Efficiencies In The OR | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| 7:25am-7:30am | Perioperative Anesthesia Pain Management Strategies | Rafael J. Sierra, MD (Rochester, MN) |
| 7:30am-7:35am | The Use Of Tranexamic Acid | William G. Hamilton, MD (Alexandria, VA) |
| 7:35am-8:15am | Case-Based Discussion | All faculty participate in a round-table format at their assigned tables. |
| 8:15am-9:30am | Session XVII: The Socioeconomics Of TKA/THA | Moderator: Fred D. Cushner, MD (New York, NY) |
| 8:15am-8:25am | Outpatient Total Joint Arthroplasty Is Here Now: Enhance Your Revenue Stream | Michael E. Berend, MD (Indianapolis, IN) |
| 8:25am-8:35am | Bundled Payment Environment: Simple and Current Models; Simple Strategies for Success | Christopher L. Peters, MD (Salt Lake City, UT) |
| 8:35am-8:45am | Clinical Pathways For Care Improvement: Care Navigation | Douglas E. Padgett, MD (New York, NY) |
| 8:45am-8:55am | Patient Reported Outcomes: What, When, And How To Incorporate Into Practice | Kevin L. Garvin, MD (Omaha, NE) |
| 8:55am-9:05am | Cost Reduction Strategies | Aaron A. Hofmann, MD (Salt Lake City, UT) |
| 9:05am-9:30am | Discussion | |
| 9:30am-10:00am | COFFEE / REFRESHMENT BREAK AND VISIT EXHIBITORS | |
| 10:00am-12:00pm | Session XVIII: Lessons Learned From My Most Challenging Case | Moderator: Michael E. Berend, MD (Indianapolis, IN) |
| 10:00am-10:10am | Case I | David J. Mayman, MD (New York, NY) |
| 10:10am-10:20am | Case II | Douglas D.R. Naudie, MD (London, ON, Canada) |
| 10:20am-10:30am | Case III | Douglas E. Padgett, MD (New York, NY) |
| 10:30am-10:40am | Case IV | Mark W. Pagnano, MD (Rochester, MN) |
| 10:40am-10:50am | Case V | Wayne G. Paprosky, MD (Winfield, IL) |
| 10:50am-11:00am | Case VI | Giles R. Scuderi, MD (New York, NY) |
| 11:00am-11:10am | Case VII | Rafael J. Sierra, MD (Rochester, MN) |

| Time | Event Description | Presenters |
|-----------------|-------------------|--|
| 11:10am-11:20am | Case VIII | Alfred J. Tria, Jr., MD (Princeton, NJ) |
| 11:20am-11:30am | Case IX | Geoffrey H. Westrich, MD (New York, NY) |
| 11:30am-11:40am | Case X | Fred D. Cushner, MD (New York, NY) |
| 11:40am-11:50am | Case XI | Aaron A. Hofmann, MD (Salt Lake City, UT) |
| 11:50am-12:00pm | Case XII | Adolph V. Lombardi, Jr., MD (New Albany, OH) |
| | | |
| 12:00pm | Course Adjourned | |
